

Uniform Policy:

It is the policy of St. Joan of Arc Athletics that every participant is provided with a team uniform.

Team uniforms will vary by sport and potentially by teams within the same sport.

Uniforms will be assigned and tracked specifically to each player prior to the start of the first game/match/event.

Uniforms should be maintained and kept clean throughout the season. All uniforms should be washed in cold water and air-dried.

Uniforms are to be returned to the coach at the end of the last game/match/event.

Exceptions to this include football (uniform turn in day) and those teams where uniforms are incorporated into registration fee such as wee pee.

In the event that an assigned uniform is not turned in within two weeks of the last game/match/event the parent(s) of the athlete assigned to the uniform will be invoiced the cost of the uniform plus a 25% replacement fee. This invoice will be mailed/e-mailed to the parent(s) for payment. Any unpaid balance may affect the ability for future registration in sports and or school.

Uniform Costs:

Football: Jersey: Game: \$75.00
Practice: \$11.00
Equipment: Shoulder Pad's: 50.00
Helmet: \$95.00
