

Registration Policy:

It is the policy of St. Joan of Arc Athletics that all registration for sports be completed on-line at www.sjawarriors.com.

An adult will need to register the individual athlete(s) for one sport or multiple sports.

Payment by credit card is required at the time of registration.

Once submitted, an email confirmation acknowledging successful registration or declined registration will be sent to the individual registering and to the Athletic Director.

Registration Refund:

Following a successful registration, the adult who registered the athlete may request a refund for any or all sports. This request must be in writing (email to the Athletic Director, athleticdirector@school.joanofarc.org).

A refund will only be processed before the team roster is submitted to the Pastor for signature. Once the roster has been signed by the Pastor and submitted to CYO, there will be no refund. Please note Volleyball and Basketball no refund will occur once team selection has taken place.

The Athletic Director will process the refund on the SJA registration site. A credit will be applied to the credit card used to register the athlete.

An email will be sent to the individual requesting the refund by the Athletic Director acknowledging the refund process has been completed.

The Sport Commissioner, Athletic Director and Pastor must approve any exception to this process.

Waiving of Registration Fee:

There are instances that a family may not have the financially means to cover the registration fee. In this situation the family will need to contact the Athletic Director in confidence by phone, 419-349-7559 or email, athleticdirector@school.joanofarc.org to discuss the request. The Athletic Director will meet with the Pastor and Business Office Manager to make the final determination.
