

SJA Team Selection Policy

All student athletes who register before the registration deadline will be placed on a team. Any student athlete who registers after the deadline has passed, will only be placed on a team if there is room on the roster.

Team placement protocol: Grades K-8, teams are divided as equally as possible based upon a number of factors such as skill and athleticism.

Team Selection Process 7/8 Grade Basketball/Volleyball

Grades 7-8 we implement a modified stacking process as described below. Over the last two decades we have revisited this every 5 years to make sure it is still relevant. Our research has concluded that some schools use a full stack and some use no stacking policy, leaving us fully in the middle. By using this system it allows our teams to remain competitive, while providing opportunities for all of our players to develop basketball/volleyball and leadership skills. The rosters are not static and can change from year to year. We have witnessed many players who made one team as 7th graders improve and make a different team the following year. The commissioner and an individual who is not a current SJA Volleyball or Basketball coach will evaluate players.
